## Scarbrough International and Willson-Green Logistics Introduce New Direct Service Between Chicago and Toronto

Scarbrough International, Ltd. our partner headquartered in Kansas City, Missouri recently teamed up with Willson-Green Logistics, our partner in Toronto, Canada. Together, these USI partners are collaborating to move freight across the Canadian and US border. They are excited to introduce their direct service between Chicago and Toronto. This service allows customers and agents to choose from a variety of options pertaining to their NAFTA freight in and out of the Midwest USA and the metropolitan area of Toronto. The direct service offers the following options:

- 2-day expedited service - between Chicago, Kansas City, St. Louis, & Milwaukee and the Toronto Metropolitan Area
- Standard service - between all US Midwest and Ontario
- Deferred service at reduced pricing - between all US Midwest and Ontario

One of the most resourceful features of the Chicago -Toronto Program is that a truck leaves **every day!** The benefit to clients is a convenient process to move their goods reliably and consistently.

### Other Program Benefits

- Flexible Pick-up and Delivery options door to door
- NAFTA documentation
- Customs Clearances in USA and Canada
- Distribution and Warehouse Capabilities
- Dependable staff and single point of contact
- Canadian Customs Consulting / USA Customs Consulting
- Accommodation of pricing according to your needs
- LTL, FTL, Pallet pricing
- Deferred pricing available

The Chicago -Toronto Program includes extensive standard service locations. To receive a complete list of the service locations and any additional information regarding the program, please contact Scarbrough International (1-800-467-7807) or Willson-Green Logistics (866-94-5378) or [nafta@scarbrough-intl.com](mailto:nafta@scarbrough-intl.com).
