UNITED KINGDOM AIR CONSOLIDATION

Scarborough International, Ltd. announces United Kingdom air export consolidation service direct from Chicago.

Scarborough International, Ltd., a division of the Scarborough Group of Companies, is known for its convenient niche consolidations catered to Midwest companies.

Its UK Air Export Service Lane is specifically created to allow shippers to consolidate their freight in a convenient, affordable fashion with the quickest transit time available.

Cut off Saturday morning
Departing ORD: Saturday evening
Arriving LHR: Sunday morning

Our Block Space Agreement with the airline is a guaranteed uplift. We can also have your cargo delivered to most points in the UK on Monday. We clear the goods and arrange for breakdown of the pallet on Sunday in the UK.

We have aggressive pricing available and we are ready to service you!
